REPLACEMENT CENTRAL OFFICE MANAGER NEEDED!

- In the spirit of rotation, our current Central Office Manager, Teresa D., will be completing her 2 years of service at the end of October 2025.

“It has been my honour and privilege to serve as your Central Office Manager for the past 1.5 years. The training and support I received from Erich & Margaret (the previous Central Office Managers extraordinaire) has been tremendous in terms of hands-on training, technical assistance, helpful tips and moral support.

I want to extend my sincere Thanks to all the volunteers at Central Office who continue to inspire me with their commitment to learning how to be of maximum service in Alcoholics Anonymous. Thank you for your diligence and willingness to be part of our Service Team.

This volunteer opportunity has meant so much to me. It has brought me a sense of pride and it has enhanced my personal growth beyond all expectations. I am truly grateful for this service opportunity as part my recovery journey.

SERVICE OPPORTUNITY: We are currently looking for a volunteer (with a minimum of 2 years of continuous sobriety) to train as the next Central Office Manager. Ideally, the next volunteer Manager should begin training with me in August to allow sufficient ramp-up time to be comfortable in the position.”

Yours in Grateful Service, Teresa D.”

THE BENEFITS OF VOLUNTEERING AT CENTRAL OFFICE

- The benefits of volunteering at Central Office include:
 Staying sober / Building self-esteem / Developing gratitude & humility / Working in a team environment / Connecting with the greater AA community / Learning to incorporate the AA principles into your daily life / Honing personal skills such as responsibility, accountability, working cooperatively with others & customer service / Paying it forward – giving back some of what has so freely been given to you.

Central Office needs your continued support, patronage & volunteerism to keep operating!
