WELCOME JEFF R.

- Our Newly Elected Central Office Manager!

My sobriety date is August 2nd, 2022. I am a member of Pond Mills Men’s Group and my sponsor is Gary P.

I am a retired pharmacist and former owner of a community pharmacy. I started working for my father at the age of 14, graduated from the University of Toronto in 1983 and commenced my practice in 1984. When my father passed away in 1987, I purchased the business from his estate and worked diligently until I divested in 2020.

My interest in being Central Office Manager is a natural extension of a successful career in retail. I feel that I have engaged in service throughout my sobriety, but not in an official capacity. I feel that my strengths in staffing, inventory control and especially customer care make me a worthy candidate for my new position.

I look forward to making new connections and serving the needs of fellowship members over my term.

Yours, in service, *Jeffrey R.*
