Featured Volunteer of the Month

I am very pleased to be volunteering at Central Office. Being of service is a big part of my recovery. I have a service position at my Home Group and I have joined the Round-up committee and the Telephone Answering Service as well.

I enjoy my 4 hour Wednesday shift at Central Office very much. The fellowship here is amazing with so many AA members dropping in to purchase literature, pick up medallions and just say "hello!" I am learning a lot about Alcoholics Anonymous, running a store, and being accountable. I am also receiving valuable experiences in getting out of self and being a responsible member of God's world.
