VOLUNTEER OF THE MONTH

The most important person in the Central Office is the alcoholic who walks through our door. Whether they need literature, a reassuring smile, fellowship, or a coffee, we want the hand of AA to always be there. I feel we are part of the front line that serves, per our 5th Tradition. "Our primary purpose is to carry the message to the alcoholic who still suffers." Either individually or by supporting those who work in accessibility, institutions or the professional community.
Mary C. (Grapevine Group)
