WHAT DOES GSO SAY ABOUT LOCAL CENTRAL OFFICES?

"A central or intergroup office is an A.A. service entity that involves partnership among groups in a community — just as A.A. groups themselves are partnerships of individuals. An intergroup/central office is established to carry out certain functions common to all the groups — functions which are best handled by a centralized office — and it is usually maintained, supervised, and supported by these groups in their general interest. ***It exists to aid the groups in their common purpose of carrying the A.A. message to the alcoholic who still suffers***.

Core Functions:

- Provide a Point of Contact for 12th-Step Inquiries
- Operate the local Office Facility
- Localize Literature Sales
- Serve as an Information Clearinghouse
- Provide a Centralized Contact for the Public & Professional Community
